We from the INTEC International GmbH want to constantly improve and always offer our customers the best quality. That is why we have set up our most important points on quality management for you.

CUSTOMER ORIENTED

The focus of our quality management lies in the fulfilment of our customers requirements. We have only done our job when you are satisfied.

LEADERSHIP

The managers support the employees in achieving the quality goals of the organization.

COMMITMENT OF PEOPLE

Competent and motivated employees work to improve the quality of the whole organization.

PROCESS-ORIENTED APPROACH

We reach our goals in a targeted way carrying out our projects as coherent processes.

IMPROVEMENT

The desire for improvement is the incentive that leads us to success.

FACT-BASED DECISION

We base our decisions on the analysis and evaluation of data and information.

RELATIONSHIP MANAGEMENT

Longstanding and loyal relationships with our partners, customers and suppliers are part of our success.

The ISO 9001 is the internationally recognised standard for quality management that defines the requirements for an effective quality management in a company.

The ISO 9001 defines the minimum requirement for a QMS that must be implemented in order to meet the customers requirements and other requirements for the products or service quality.
